Hi Renata,

RE: Canesten Advert Resizing & Supply

To resize the approved design concept to the dimensions and specifications for the publications listed below, and re-layout if required. On completion to supply high resolution, print ready files direct to the publication for print.

- Pulse
- Guidelines
- British Journal of Midwifery
- British Journal of Family Medicine
-

- time and materials

£280

I have prepared costs in accordance with your brief and details outlined at this stage and hope that these costs meet with your approval and I look forward to hearing from you in due course to proceed.

Kind Regards
